

# The Chester Challenge

**The Chester Challenge is an annual cycling event held to increase awareness of Dravet Syndrome - a rare form of epilepsy. We hope to raise funds for the IDEA League UK charity whose aim is to help the many children in the UK who are suffering with this progressive neurological disorder.**

The Challenge will take place on **Sunday 29th August 2010**, starting and finishing at Old Hall Country Club, Huntington in the beautiful city of Chester. There will be a choice of three routes through rural country lanes.

The event is now open for entries. Visit the website to enter online or download an entry form and find out more about our cause at:
