

Grade 2

Improving health and caring for the environment is an important local and national issue. As part of this Chester City Council has developed a number of low traffic accessible routes which people can use to walk or cycle into the city centre. This map suggests lower traffic routes into Chester from local housing areas.

**Saughall Hub Route 35:**  
(Distance 6.8 km)

Starting at Seahill Road –

Join Blacon directions at P12 Route5  
Millenium Cycleway.

**Blacon Hub Route 36:**  
(Distance 3.7 km)
