

Grade 2

Improving health and caring for the environment is an important local and national issue. As part of this Chester City Council has developed a number of low traffic accessible routes which people can use to walk or cycle into the city centre. This map suggests lower traffic routes into Chester from local housing areas.

Tarvin Hub Route 25:

Starting from Tarvin
Join Waverton Hub at Rowton Lane Bridge P5.

Waverton Hub Route 26:

Starting at Egg Bridge-
Join Huntington Hub at Spital Walk access point P6.

Huntington Hub Route 27:

Starting on Chester Road. Arrive at Chester City Centre.

Queens Park Hub Route 28:

Starting from Victoria Crescent
Arrive at Chester City Centre.

When cycling always wear suitable equipment and obey the Highway Code.....
